“To strive, to seek, to find and not to yield”

-Alfred Lord Tennyson.

The College climbs up towards excellence through sublime thinking, nobler action and results. The Board of management and the Principal encourage the faculty to produce fantabulous achievements in the field of academics. The dedicated staff members chisel the students to come out in

flying colours in Curricular, Co-curricular and Extra Curricular. The Management, Principal, Staff, Students and parents en masse to reach the status quo.

Future Plan:

- ✚ To promote the Department of Chemistry and Zoology as Research Departments.
- ✚ To introduce B.Sc. Physical Education and B.Com with Professional Accounting Courses.
- ✚ To create an incubation centre.

THANK YOU
