Conclusion:

“Education is the foundation upon which we build our future”

-Christini Gregorie.

The College climbs up towards excellence through sublime thinking, nobler action and results. The Board of management and the Principal encourage the faculty to produce fantabulous achievements in the field of academics. The dedicated staff members chisel the students to come out in flying colours in Curricular, Co-curricular and Extra Curricular. The Management, Principal, Staff, Students and parents en masse to reach the status quo.

Future Plan:

- ✚ To promote the Department of Chemistry and Zoology as Research Departments.
- ✚ To create an incubation centre.

THANK YOU
